

Urge Time Limit On City Parking

The
Town Record
By MONTE DAYTON

Sad commentary:

Police nabbed a 12-year-old youth who was responsible for breaking gauges and pouring sand into the gas tank of a construction rig on the Brunswick job, consequently putting two family men out of work for two days.

Brought before his mother by police, the woman passed it off with, "you're a bad boy" reprimand. "Just for that," said she, "you can't go out and play anymore this afternoon."

One hour later contractors on the Colma street school saw the kid playing at the construction site.

MERLE McDANIEL, 32-year-old SF woman who refused to testify in court after signing complaint she was beaten by her boy friend at a Colma motel September 4, was sporting a black eye in muni court Tuesday when she appeared on a contempt charge.

A prominent local builder was accused this week of selling a lot out from under a prospective buyer, after he'd accepted money as a down payment and given him a receipt.

Had a chance to make a few more bucks from the other buyer, the irate citizen says.

Don't know the details but this columnist saw the cancelled down payment check and the signed receipt.

And there's nothing the jilted buyer can do about it.

More sad commentary: Of 163 teachers in the Jeff Elementary district only 61 are interested enough in school affairs to subscribe to a local news publication.

Even one trustee hasn't got time to keep up with what's going on in the community.

DC-Colma Lions want it known that moah for those Reno trips does not come from the Lions' treasury. Each member pays his own fare, plus a little extra to boot, which goes toward charity, plus another not-so-little extra when they get there, which goes to you know who.

THE RECORD'S ad man FRANK MONTE was a much happier hombre Friday because of MRS. E. J. McKENNY of 31 Lake Vista drive.

Frank dropped \$40 cash from his wallet in the Westlake shopping center. When he returned to retrace his steps after discovering the loot gone, he was confronted by Mrs. McKenny who asked, "Did (Continued on Page 2)

In a lengthy session Monday night councilmen rejected a plan to embark on an off-street parking program and suggested instead that a time limit be placed on parking in fringe areas.

At the close of the discussion between the council and the parking authority Mayor Joseph Verducci named a four-man committee to investigate possible temporary measures that would alleviate the parking problem on streets just outside business areas.

Subpoena Served On Judge While Court In Session

John E. Blake, 55-year-old San Francisco private investigator, threw South San Francisco municipal court into a turmoil yesterday (Thursday) morning when he raced down the aisle of the court and threw a subpoena at presiding Judge Thomas L. Bocci.

Bocci immediately shouted at bailiff Robert Lynch, "Arrest that man and lock him up."

Blake was locked up for a short time, brought back before the judge at 11 a.m. and pled guilty to contempt of court. Case was put over to Tuesday for sentencing.

The process which Blake attempted to serve was a subpoena duces tecum, ordering Bocci to bring with him certain records connected with a suit Bocci has pending against a former client when Bocci was a practicing attorney in 1950.

The civil case involving Bocci was scheduled for today (Friday) and the defendant's attorney had sought to call in Bocci's records to determine if the judge actually did legal work he claims in demanding back fees from the defendant.

Whether the subpoena was validly served on Bocci while he was presiding as judge is a legal question that had not yet been decided yesterday at press time.

Wrecked Police Car Was Demolished; Andersen Reveals

The Daly City police car involved in what was earlier described as a "minor" crack-up at Skyline-Aleman intersection November 8, was almost totally demolished, it was learned Monday night.

The accident occurred at 6:55 a.m. when officer Phillip La Bruzzo, in pursuit of a speeding vehicle on Skyline boulevard, skidded and rammed into the light standard on Aleman.

At that time police and city sources said only "minor damage" was sustained.

The fact that the car was nearly a total wreck came to light at Monday's council meeting when City Administrator Dan Andersen told councilmen a new patrol (Continued on Page 2)

JEFF BOY SUICIDE AVERTED

A 14-year-old Jefferson High school student, despondent over his girl friend's affection for another youth, attempted to leap off the Golden Gate bridge Wednesday night.

His leap was averted as a tow truck driver, Arthur E. O'Brien, 60, grabbed the youth from the railing near the midspan as he balanced precariously over the waters in a drizzling rain.

In the soaking wet pockets of the Daly City youth's shirt was a suicide note that told the story:

"I want you and Don to know what you have driven me to. I love you, and will always love you, but since you do not return my love I have no other choice."

The youth identified the girl as a 14-year-old classmate at Jeff.

According to the boy, he walked from Daly City to the bridge and was absent from school that day.

He was first spotted on the sidewalk of the bridge by an off-duty toll sergeant enroute to Marin county, who phoned in a warning.

High school sources said they had no idea who either the boy or his girl friend was.

Highway patrolmen said his mother is divorced from her husband, a serviceman in Japan.

BLOODY STREET BATTLE RESULTS IN TWO ARRESTS

A bloody early-evening battle on San Jose avenue and Bepler street resulted in the arrest of a bartender and laborer, both of Daly City, Wednesday.

When Sgt. August Benassini and Officer Robert Crocker arrived on the scene at 6:15 p.m. they found Bartender George Burke, 45, of 471 Irvington, and Edwin Garrett, 40, of 101-D Hillcrest drive, nearly naked to the waist and smeared with blood.

Police said the men were silent when questioned about how the fight erupted.

Garrett was taken to Junipero Serra hospital for treatment of a cut over his left eye.

Both combatants were booked on charges of disturbing the peace and drunkenness and were scheduled to appear Tuesday morning at 10 a.m. in municipal court.

SEE NEW CITY BOND ISSUE FOR PROJECTS

A citizens committee to investigate the city's drainage problems and possible construction of a civic center was urged Monday night by Councilman Michael De Bernardi.

"Even if it means an increase in taxes I think these projects should be started. Any fool can cut taxes," De Bernardi continued.

"Our job is to get the people the most for their money."

"I think a citizens committee could investigate these problems and present the facts before the people," he added.

The councilmen suggested that floating a bond issue would be possible solution to the drainage problem.

"There's no use kidding ourselves," City Attorney Frank Blum said. "With a new library needed it's only a matter of time until the general fund won't be able to handle all the capital outlay and we're going to have to issue bonds."

Hilltop Hearing Slated Here On Wednesday

ESTIMATE TURNOUT OF 2000 TUESDAY FOR BOND ELECTION

Close to 2000 voters are expected to turn out Tuesday to cast their ballots on a \$1,486,000 bond issue that would finance a five-year building program for the Jefferson Elementary School district.

Redemption of the bonds is expected to add about eight cents per \$100 valuation to the property tax rate, or about \$2.40 a year for a home assessed at \$3000. This will bring the total district rate to \$2.66 per \$100.

Throughout the district there are 14,588 persons eligible to vote at the six consolidated precincts.

In the past two elections, however, turnout has ranged from 1500 to 2000 and Tuesday's vote is expected to be somewhere between these figures, according to H. Z. Weibel, district superintendent.

Weibel, in expressing optimism over the result of the election, pointed to the fact that during the district's history the electorate has never turned down a school bond.

Hopes Turnout Large
"I hope there will be a large turnout," Weibel said, "because it is a good gauge of citizen interest in school activities."

In the last election, February, 1953, when approval of \$840,000 in bonds was before the people, the measure passed with 1246 for, 234 against, or about a six to one ratio. School bonds require a two-thirds majority to pass.

If the \$1,486,000 figure is approved by citizens, only \$328,000 of the bonds will be sold during the coming fiscal year. Remainder of the money will be spent over the five succeeding years at amounts ranging from \$210,000 to \$270,000 each year.

Passage of the issue will bond the district to the legal limit of five per cent of the total assessed valuation, thus making the district eligible for a loan of \$917,000 from the state.

Critical Need
Weibel stated that unless the

Hearing on charges by the state board of equalization that the Hilltop Lodge, 22 Hillcrest drive, has been a haven for narcotics traffic and maintained a disorderly house will be resumed Wednesday at 10 a.m. at the Daly City council chambers.

The hearing opened in Redwood City with a three-hour probe on November 19 and was continued after less than half the material witnesses were heard.

SUPERVISOR CALLAN FIGHTS SPEEDING COUNT

County Supervisor Thomas J. Callan Sr. of Colma was scheduled to appear today (Friday) at 3 p.m. before San Mateo Municipal Judge Fred Wyckoff to answer charges that he was speeding and driving without due caution in Millbrae on November 15.

Callan was cited on that date by Millbrae Officer Otto Bortfeld. The tag said Callan was driving 55 miles per hour in a 35-mph zone.

Callan told THE RECORD he would plead innocent today and demand a jury trial. He will represent himself in court.

According to the stormy supervisor, he was travelling less than 40 miles an hour when arrested. "I heard a lot of reports

about the Millbrae cops citing people for travelling at speeds 20 and 30 miles an hour faster than they were actually going," Callan said. "I saw that cop so I pushed the car into second gear and got up to a speed a little less than 40 miles an hour. When he stopped me I figured if the citation said I was doing 40 then the cops were honest."

The supervisor said the officer, after tearing a citation out of the book, threw it at him.

"That's no way to serve a citation," Callan said. "I didn't cite you," Bortfeld snapped.

Callan retorted that, "I'd just as soon you tagged me," so the officer obliged. "When I looked at the ticket it said I was doing 55 and I knew that was ridiculous," Callan said angrily.

At one time during his conversation with the officer, Callan quoted Bortfeld as saying to him, "So you're the supervisor who wants to run a highway through our city of Millbrae?"

"I've been driving in San Mateo county for 25 years and this is the first time I've ever been cited for speeding," Callan said. "That should prove that I was doing it intentionally to investigate the many charges I've heard about these Millbrae cops upping speeds on their citations."

According to Norbert Falvey, acting district liquor control administrator who will represent the prosecution in next week's hearing, Wednesday's session will probably last all day and should conclude the investigation.

Daly City police officers scheduled to testify Wednesday are Sgt. August Benassini, Richard Brohman, Bruno Conci, Philip La Bruzzo and John Coleman.

Coleman was identified as the officer on duty outside the Hilltop Lodge when marijuana refers were allegedly smoked at the bar of the be-top joint, according to testimony of Eddie Graham, the board's star witness at the November 19 hearing.

The November 19 hearing found Graham, convicted narcotics offender, being questioned by Falvey for two hours.

Owners of the Hilltop Lodge, George Kirchhubel and George Pallas, will be represented by local attorney John J. Fahey.

Fahey is expected to concentrate his attack on discrediting Graham's lengthy allegations about state, purchase and extensive use of marijuana at the local hangout.

Ivores Dains will again act as referee for the hearing.

Committee Hears Suggestions On Subdivision Law

A committee composed of city officials met Wednesday night at city hall to hear proposed changes for Daly City's subdivision ordinance made by representatives of major utilities and builders.

Ted Tronoff, representing Henry Doelger, Builder, Inc., said he felt that there should be a three-year time limit under which the city should develop park lands set aside by the sub-divider. "The land becomes an eyesore," he said, referring to the 10-acre park site off Lake Merced boulevard in Westlake.

Councilman Sanford Vickers explained that there was insufficient money in the city treasury to undertake the park project at present.

Tronoff also objected to the clause which says, "structures shall be installed for drainage, access and public safety by the developer."

He said "structures" should be more clearly defined.

Ricco Lagomarsino, local realtor, was also in hand to ask that him be held to the 32-foot minimum lot restriction on property that had been purchased with an understanding it would be developed with smaller lots.

G. LAGOMARSINO SERIOUSLY HURT IN PLANE CRASH

George Lagomarsino, 29-year-old Daly City realtor, was seriously injured Saturday afternoon when his crash-landed his single-engine Luscombe plane on Balston avenue in Belmont after the motor failed.

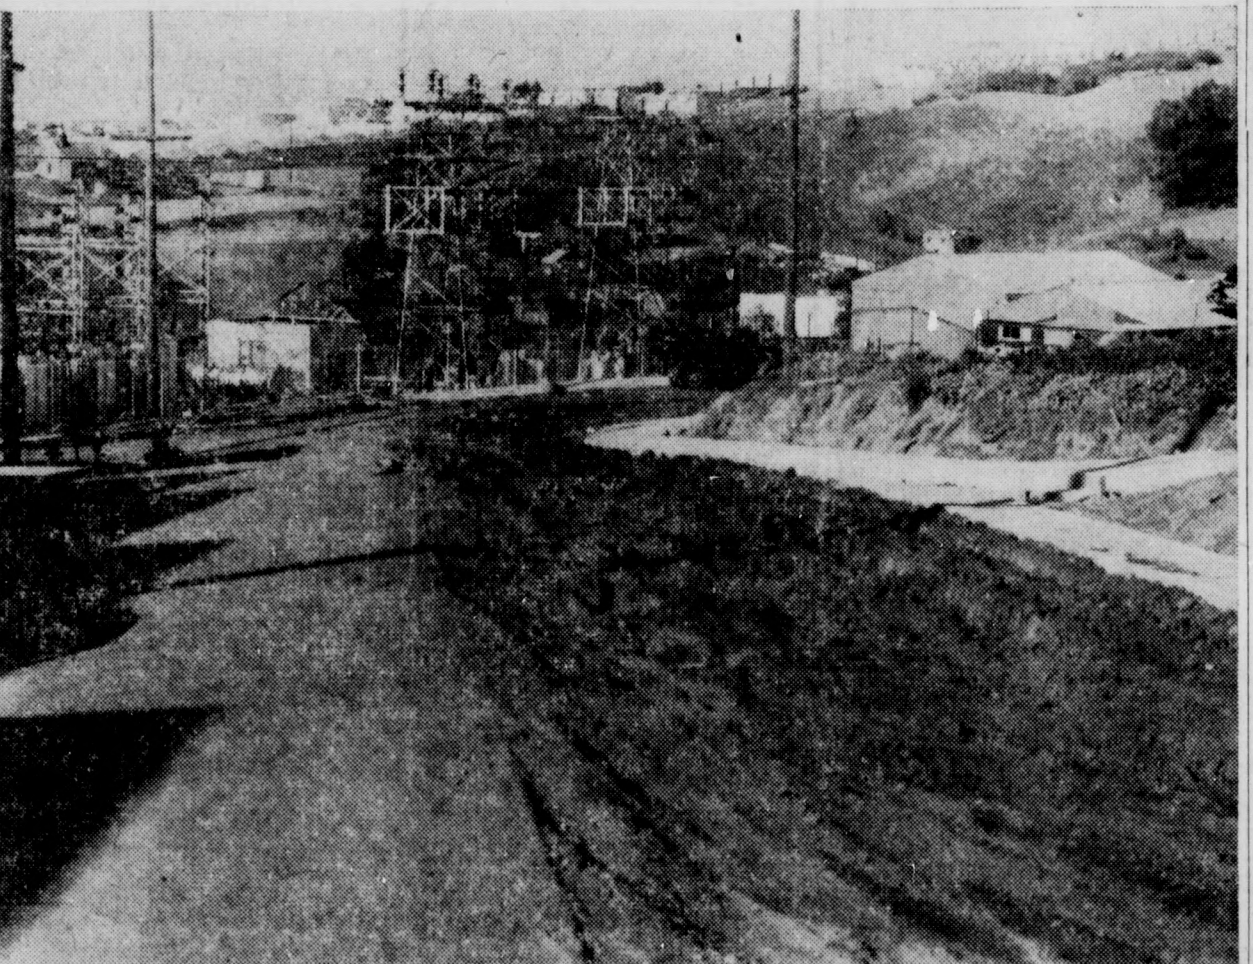

Lagomarsino, who lives at 936 Chula Vista, Burlingame, suffered two broken legs and numerous head cuts and is expected to be confined at Mills Memorial hospital for the next three weeks.

Lagomarsino's companion in the plane, Harry French, 67, of 245 First avenue, Daly City, received a chipped ankle bone and numerous bruises. He was expected to be released from Permanent hospital today.

A licensed pilot, Lagomarsino was flying on a pleasure trip when motor trouble of undetermined origin developed, forcing him to land the plane. The machine was badly damaged.

Because of the severe injuries suffered by Lagomarsino, his brother, Eugene, partner in their local real estate firm, has announced that grand opening of their new offices at 6701 Mission street will be postponed until George's return from the hospital.

The firm moved to the new location Wednesday, however, Eugene Lagomarsino said.

HALF-STREET shown in photo at Atlanta in the Callan Heights area will be eliminated in the near future, it was learned this week. Situation was created

when Builder Thomas Callan Jr. developed his half of the street while no arrangements had been made with Ricci Lagomarsino for paving the other half of the

land, owned by him. Both builders have now agreed to sharing costs on paving Atlanta and Callan has undertaken the development of Hoffman street. THE RECORD photo

VFW Sends Member To Civilian Defense Meet

Blaine Glendening, of Old Glory VFW Post, represented the organization at a civilian defense meeting which was held Monday at the Colman restaurant.

In answer to a letter by Dan E. Andersen, city administrator, Glendening attended this meeting, which was a discussion of disaster preparations for San Mateo county. The post assured the group of full cooperation.

One of the post's old timers, Conrad Kirby, has built a model of an early 1800 log cabin church. Kirby, who lives at the Veteran's home in Yountville, California, has asked Old Glory Post to present the model to the VFW Orphan homes in Eaton Rapids, Michigan.

The annual Christmas party is planned for Friday, December 10, at Little Italy hall.

spots with meters go unused. Paving of the two city lots in back of city hall for use as parking lots was suggested. City Administrator Dan Andersen said the project would cost the city about \$3000.

Rice argued that before the city spends any money for off-street parking the merchants in the areas with parking problems should come forth with some aid.

"It's not fair that citizens of Daly City should have to subsidize merchants. Majority of these merchants aren't even residents of the city."

Kirchhabel Favors Limit

George Kirchhabel, who operates a tavern at 53 Hillcrest drive, said eliminating morning and evening parking wouldn't do any good and expressed himself in favor of the two-hour parking limit.

Kirchhabel claimed he approached merchants in the "top of the hill" area four years ago and asked an allocation for money for off-street parking which was turned down.

Mayor Verducci said that it was doubtful whether temporary off-street parking measures could be launched in time to aid merchants during the pre-Christmas rush.

Disturbing Peace Costs Woman \$50

Disturbing the peace cost Henrietta Weber, 199 Santa Cruz avenue, twice the usual fine of \$25.

She pled guilty to being drunk in front of a tavern at 6296 Mission street October 22 in Judge Thomas L. Bocci's municipal court. At that time she was ordered to pay a fine of \$25.

When she failed to forward the money Bocci issued a bench warrant for her arrest. On being picked up, she posted \$50 bail on the charge of failing to pay the original fine.

She failed to appear again Tuesday on the second count and the judge ordered the \$50 bail forfeited.

In other municipal court action Tuesday two persons forfeited \$25 bail resulting from drunk charges. They were: Helen Manow, 250 Taylor, San Francisco, arrested November 20 on Skyline boulevard and charged with being drunk in a public place; and John Russell, 809 Baden, South San Francisco, charged with being drunk in and about an auto on November 23 at San Pedro road and Mission street.

He explained that estimates on the trade-in value of the wrecked car had been obtained and the highest figure offered was \$350. Some were as low as \$195.

He urged that the city purchase a new car. Replacement cost for a new vehicle will amount to \$1760, which will leave the police department's new equipment budget with a \$300 deficit.

Local Residents Allegedly Stabbed

Two Daly City residents were victims of stabbings late Sunday and early Monday morning, according to police.

Daly City police arrested Charles Mifsud, 50, of 42 Muirwood drive, a janitor, and charged him with assault after his wife, Anne, said he stabbed her Sunday night when she returned to their home following a movie.

Mrs. Mifsud was treated at Junipero Serra hospital for slashes on her upper right arm and then released.

San Bruno police said no arrest was made and no complaint signed in connection with the stabbing of Thomas Ryan, 40, of 686 North Mayfair, Daly City real estate broker, early Monday morning.

Stud Poker Players To Appear Dec. 14

Eight men were scheduled to be arraigned in municipal court on Tuesday morning, December 14, on charges that they played stud horse poker in an upstairs room over a billiard parlor at 6380 Mission street in Daly City.

Officer John Coleman spotted the game at 3 a.m. after he noticed an unusual number of cars parked in the area and lights in the room as he was making a routine door-check. He investigated and discovered the game in progress and called Sgt. Dean Wood, officer in charge, who led the raid on the eight poker players.

Police found \$73 in poker chips which they ordered cashed in, confiscating the chips and the money.

An interesting observation on the arrest was the fact that the men were charged with playing stud poker, a game in which one card is concealed and four are face up. Under the eyes of the law this is a game of chance and therefore illegal.

Had the four men turned over their four "up" cards when police arrived they would have appeared to have been playing draw poker, which the law deems a game of skill and therefore legal.

Daly City men arrested in the round-up were John Thur, 43, a butcher, and a 19-year-old youth. Others, all of San Francisco, were: Edward E. Fitzgerald, 22; Renata San Juan, 43; Benigno Tolentino, 56; Fred Bahler, 56; Fred Bidwell, 28.

Thur, who was allegedly running the game, was released on \$50 bail while the others were bailed out on \$10 each.

A 23-year-old script writer, Joane Schrader, 743 Hillside boulevard, apt. 56, was rushed to Junipero Serra hospital early Friday morning after allegedly swallowing contents of a bottle of methiolate.

Daly City police said she took the poisonous fluid after an argument with her husband.

Mrs. Schrader refused hospital treatment, according to police. Her husband, Richard, said his wife shut herself in the bathroom after stating, "This is it," police related.

COLMA TEACHER TO TAKE OVER PERSHING POST

Donald Pagani, a sixth grade teacher at the Colma school, has been assigned principal of the Pershing school to take the position long held by Miss Winifred McGrath, who passed away on November 15.

"Pagani is well prepared to assume the duties of the position having served as a classroom teacher in the local elementary

district since September, 1947," according to Superintendent H. Z. Weibel. He served as teacher-in-charge of the Benjamin Franklin school in 1953-1954 and was principal of the summer school last summer. In addition Pagani has served on various educational committees.

Pagani has his masters degree awarded by San Francisco State College in August, 1953, and holds California teaching and administrative credentials on both the elementary and secondary levels. He resides at 806 Tereisa boulevard in San Francisco with Mrs. Pagani and their two children, ages 2 years and one year.

BUILDING THINGS HALF WAY

(See Photo Page One)

It would appear the city's various governmental bodies, ranging from the planning commission all the way up to the city council, have contributed, perhaps unknowingly, to the predicament on Atlanta known as a "half-street."

Last summer, the planning commission approved maps for the Callan Heights area, where the street is located, forwarded a recommendation for approval to the city council, who went along with their decision and annexed the area into the city.

Then the trouble started. Developer of the new area paved his half of the street. Owners of the property making up the other half of the street refused to put in the strip of street, claiming that no arrangements had been made for their so doing.

Residents of Atlanta street have been justifiably aroused. On the side near their homes they have a one-lane street. The other half of the land is an eroded, mucky hole where a paved roadway should be.

We understand that measures are finally being taken to right this situation.

Nevertheless, so that such awkward developments won't mar the city's future planning, we think the matter should be inspected a little more closely.

Obviously, when the city planners accept a map of an area up for annexation they should determine if the sub-divider has title to the land proposed for streets.

If, as in this case, the planners discover that only half the area proposed for a street is owned by the sub-divider, the commission should demand a written guarantee showing that the other property owner would allow development or would develop land for street purposes.

The city council, as the group with final authority on such matters, also missed the boat, as did the city engineer, who ostensibly checks all such land proceedings.

We hope the proposed subdivision ordinance will remove the element of personal error or oversight and eliminate recurrences of the deplorable half-street.

Letters To The Editor

Says Citizens Duty Is To Improve Education By Passing School Bonds

To the Citizens:

As parents, citizens and PTA members, you must be vitally concerned with the educational opportunities offered your child, the size of his or her class and the type of citizen your child will be.

You are also aware of the insidious "double sessions" which have crept back into our schools and the many disturbing elements that go with it.

You must realize, as good Americans, that our educational system is our first line of defense for it is through this channel that our great democracy flourishes.

Let's not short change our youngsters for they are not puppets handled by threads, such as you find behind the iron curtain.

They are humans who by our American way of life have been given the right to learn, act and think for themselves, but they must be taught properly, with proper facilities and they must receive a full day's education.

We cannot place a price tag on them, for they are our children who, through the infinite will of God, have been created to absorb the fruits of a happy well educated life.

It is our duty as citizens to vote "YES" this coming Tuesday, December 7th, for the passage of the

TRUSTEE SAYS BOND OK TO ELIMINATE DOUBLE SESSIONS

Dear Friends:

This is the time to make final preparations to give our children now and in the future the proper facilities for good education by voting "Yes" on the Jefferson Elementary School district bonds.

By approving the \$1,486,000 issue you are helping yours and your neighbor's children by eliminating the drastic split session situation and reducing juvenile delinquency.

Woman Says Pound Needs Heat Facilities

To the editor:

It's cold inside! I visited our city pound and left with a heavy heart and the hope that those little animals could have just a bit of heat in their abode for what little time they have to spend there.

Who will give them another thought? There must be a way.

My Mad World

By Leonore Brewer

On December 7 London's Festival Ballet will give the first of eight performances at the Opera House, presented by the California Civic Music and Arts Foundation in association with Sol Hurok, famed impresario.

The roster of their stars is so impressive and there are so many interesting stories connected with their lives that it would take two or three columns to do everyone justice.

There is Tamara Toumanova, one of the reigning ballerinas of our time, who was born in a boxcar when her parents were fleeing the Russian Revolution and who studied in Paris under the legendary Olga Preobrajenska, who had been prima ballerina of the St. Petersburg Imperial Ballet.

There are Nora Kovach and Istvan Rabovsky, stars of our State Department's film "Leap to Freedom" which was made shortly after this Hungarian couple, carrying no luggage or any belongings except what they wore, chose to escape from behind the Iron Curtain by way of an East Berlin subway. They have since danced in Les Ballets de Paris in New York and have made TV appearances, but this will be their San Francisco premiere.

Sol Hurok

Then there is Sol Hurok himself, whose autobiography "Impresario" was made into a film by Twentieth-Century-Fox, who couldn't resist the temptation to change the title to "Tonight We Sing." You will recall that Toumanova had a leading role in this film, playing the part of Pavlova.

We haven't even mentioned the

ballets, which include the century-old "Esmeralda" based on Victor Hugo's "Hunchback of Notre Dame." Once one of the most popular of the romantic ballets, it has recently been danced only in Russia, until Antio Dolin asked Nicholas Beriosoff to revive it for his company. San Francisco will see Act II.

However, it is our opinion that the star of Opening Night is not going to be on the stage but on the podium—it is going to be Igor Stravinsky who will conduct his ballet "Petrouchka."

Made Bow In Paris

"Petrouchka" made its bow to the world in Paris when Sergei Diaghilev presented it on June 13, 1911. It is a ballet about a puppet whose unrequited love is for a ballerina whose lover murders him.

Stravinsky originally conceived his music as a piece for piano and orchestra, but as he developed his composition he began to think of the piano as representing a puppet attached by the mass of instruments in the orchestra. Upon completion of his work Stravinsky discussed his ideas with Diaghilev who decided to produce a ballet on this theme. In its first performance at the Theatre du Chatelet, Paris, Nijinsky was Petrouchka, Karsavina the Ballerina, Alexandre Orlov the Moor and Enrico Cecchetti the Charlatan.

Diaghilev's contribution to the ballet, which is a synthesis of so many arts, is immeasurable. It is altogether fitting that in 1954, the twenty-fifth anniversary of his death, London's Festival Ballet should choose this particular work as one of their Opening Night ballets.

SOMETHING NEW — Colma elementary school teachers do a turnabout in education by learning arts and crafts which they can later teach to their pupils. Instructors are shown here in art work shop preparing art objects, suitable for Christmas.

The workshop idea was brought about by teacher request. "Only by doing creative art themselves can they understand the problems and possibilities their pupils will encounter in the work," said Mrs. Helen Cordell, art coordinator for the Jefferson Elementary district. The workshop activity was done on the teachers' own time. Safety News

WAIT FOR THE GREEN.

This advice was given to Daly City walkers today by Inspector H. Sundermann of the Daly City Police Department.

"Too many pedestrians in our community react to traffic lights as if they were something set up to harass the walker rather than to help him.

"Traffic lights are installed to protect pedestrians and motorists and the walker who ignores or flaunts them is not asserting his independence, but throwing away his safety.

"This also goes for obedience to traffic officers and all traffic signals. As taxpayers, pedestrians and motorists are paying for these traffic safeguards. In general, they recognize the necessity for them. But when they can get some personal benefit from these safeguards, many citizens don't take advantage of them. That's not exercising good business judgment.

It's especially important for pedestrians to take advantage of all traffic safeguards during the winter months. He pointed out that the greater number of hours of darkness and the prevalence of rain, cut down on the visibility of motorists and pedestrians. Another hazard, is the holiday shopping which begins at this time of year.

He also cautioned walkers against bundles that obstruct vision, huddling behind umbrellas, and stepping off the curb without first looking both ways.

If you stay alert and take advantage of all the traffic safeguards provided, you CAN stay safe in traffic.

DRUIDS MAP PLANS FOR KIDS HOBBY SHOW

All elementary and high school children of the area have been invited to display their hobbies at the Daly City community center when the Olive Grove, Hillcrest and Cypress Circle Druids present their annual Youth Hobby Show, beginning January 21.

"This show is not a contest but a display of what the youngsters can do if encouraged to put their talent and extra time to good use," a Druid official said.

Every child entering will be presented with a ribbon as a token of appreciation from the Druids.

Last year's first annual show was acclaimed a success, with nearly 500 entries placed on display.

The youths, 20, 16 and 17 years of age, had not drunk any of the beer, which was inside their car, Savage said.

The trio, two from Daly City and one from San Francisco, refused to tell police where they purchased the beer.

The juveniles were released to custody of their parents pending investigation by the state board of equalization.

APPOINT TWO AS BROADMOOR COPS

Broadmoor police commission has announced the appointment of two men as Broadmoor police officers.

They are: Merrill Baxley, 320 B street, Colma; and Walter G. Zewicky, 1851 Sweetwood drive, Broadmoor.

The pair were selected from a total of seven applicants.

Originally the commission had planned to hire only one man, as a replacement for Chuck Hazen, who is leaving the force January 1. This week, however, Sgt. Don Tannehill revealed he was taking a position with the state highway patrol, effective January 4, creating another vacancy in the Broadmoor department.

Baxley will assume his post January 1 while Zewicky will start three days later.

Starting salaries will be \$315 a month.

Charles E. Manning, 856 Thornhill drive, Broadmoor, has been named first on the eligibility list by the police commission.

VANDALISM at this Colma school classroom Friday was responsible for \$600 damage. Hoodlums gained entry to building by breaking window. When inside they splashed contents of nearly 30 gallons of paint and other liquids about room and cabinets. Interior of cabinet shown in foreground was filled

CONTRACT AWARDED FOR MERCY SCHOOL

Contract for initial construction of the \$1,000,000 Our Lady of Mercy Catholic church and school project in Westlake has been awarded to William Moroney Co. of San Francisco, Father Richard W. Power disclosed today.

Moroney's low bid, \$186,000, was low among nine submitted.

Contract calls for construction of eight classrooms, a library, administration building and clinic on a portion of the four and a half acre church site at Elmwood and South Mayfair.

The school, Father Power said, will accommodate approximately 400 students. Grade levels to attend the school have not yet been determined.

The pastor said the school would be open for classes by September of 1955. Work is scheduled to start immediately.

When completed, the Mercy project will consist of a 16-room school, convent, rectory and church.

Father Power indicated that the parochial school would probably not be able to handle all the Catholic children from Westlake next year. He said that no registration for the school will be taken until May or June of 1955, following arrival of the sisters of the Dominican college of San Rafael, who will be instructors.

Broadmoor Police Pick Up Trio Of Juveniles With Beer

Three juveniles in possession of 18 cans of beer were picked up by Broadmoor police Saturday night at a teen-age dance in the Broadmoor community center.

Chief Ray Savage said because of an increase in juvenile drinking at teen-age activities he had staked out two officers at the dance.

The youths, 20, 16 and 17 years of age, had not drunk any of the beer, which was inside their car, Savage said.

The trio, two from Daly City and one from San Francisco, refused to tell police where they purchased the beer.

The juveniles were released to custody of their parents pending investigation by the state board of equalization.

COMPTON'S LOOTED OF \$2259

Safe Job "Inside," Say Daly City Cops

Daly City police today were planning to question all employees of Gene Compton's cafeteria, 391 South Mayfair, following a week-end break-in at the Westlake establishment that netted burglars \$2259.

Police said they thought it might have been an "inside job," and will question all of the 39 employees and five managers employed at the restaurant.

The building was apparently entered with a key, police said, and the safe was opened by a person or persons in possession of the combination.

Inspector Dave Johnstone said despite intensive on-the-scene investigation yesterday, no marks of forcible entry, either to the building or the safe, have been discovered.

Lyman Larson, day manager of the establishment, said the theft must have been carried off between 9:50 p.m. Sunday, closing time, and 6 a.m. Monday, at which time the restaurant re-opened for business.

The money was stolen from five cash drawers within the safe, police said.

Local Students Win Scholastic Honors

Three local youths were among the 116 College of San Mateo students admitted to membership Thursday in the Eta Chapter of Alpha Gamma Sigma, California State Junior College Scholastic Honor society.

They are Alfred G. Schenone and Marilyn J. Toole of Colma and Arleen M. Pool of Daly City. The honorary membership is awarded at the conclusion of each semester in which a student has an A or B average in a full college program. Life membership is won when a student has maintained temporary membership for three or more semesters.

Who Gets Clubhouse New Years? Decision To Come From Hat

The decision as to who will have use of the Westlake clubhouse New Year's eve will be drawn out of a hat.

Ed Muhlback, chairman of the clubhouse committee of the Westlake Improvement association, has been on the verge of "horns of dilemma" during past weeks.

He's had some several dozen requests for rental of the clubhouse New Years eve for parties.

Since by granting use of the hall to one party, Muhlback and the association might be target for "discrimination" charges from scores of other hopeful New Years eve celebrants, a decision has been reached.

Persons desiring to rent the hall may submit their names or appear in person Tuesday night at 8 p.m. at the clubhouse, at which time a drawing will be held to determine the lucky "party."

TROPHY, \$100 FOR TOP YULE DECOR AT HOME

A perpetual trophy and prize of \$100 will go to the Westlake home displaying the most attractive Christmas decorations and lighting. It was announced today by the Westlake Improvement association and Henry Doelger.

The trophy is now held by Fred Bertetta, 10 Wilshire court, last year's winner.

In addition to the competition throughout the entire Westlake area, the best-decorated home in each of the six units will receive a two-year paid-up membership in the Improvement association.

The association is also offering a \$25 first prize for the best decorated firehouse in Daly City.

In the competition among all Westlake homes, second and third prizes of \$50 and \$25, respectively, will be awarded.

Lesser prizes will include five household appliances.

Judges for the competition have not as yet been named. Starr Dunham, Westlake Improvement association president, will select the judges.

'Rage Master Plan For Dump Burning, Control Of Garbage

A master plan for control of dump burning and garbage was urged Monday at a meeting of San Mateo county cities held in Burlingame.

Daly City Mayor Joseph Verducci said as a result of the emergency meeting, all cities have been asked to submit a report on garbage and dump burning problems existing in their communities.

The cities will also be asked to determine how much they will be able to spend to combat the problems.

Reports from the cities will be submitted December 11 when the group meets at Burlingame city hall.

LOCAL SCOUT PROGRAM TO BE DOUBLED

Expansion of Daly City's scouting program for boys is gaining momentum, with several important meetings having been held this week and more planned for next week. Second meeting of a steering committee was held at the Henry Doelger offices in the Westlake Medical Building Wednesday, with representation of Mr. and Mrs. Edward Goldkuhl, 98 Belmont drive, to name a troop committee and scoutmasters. Next Wednesday a similar group will meet at the home of Mr. and Mrs. R. M. Molinari, 20 Bismark street, for the new troop being formed at Colma school. Both meetings are at 7:45 p.m. Next Thursday the first meeting of parents and boys who live in the vicinity of the Vista Grande Avenue Christian church will gather in friendship hall at 7:30 p.m. to discuss the possibility of starting a new troop in that neighborhood. On Friday night, Our Lady of Mercy's Men's club will consider a progress report on the new cub pack and scout troop planned for the Westlake Catholic Parish.

Daly City currently has nine cub packs and scout troops, including Pack 62 and Troop 249, which meet at Bellevue hall; Pack and Troop 243, at Our Lady of Mercy; Pack 63, meeting at 255 Vista Grande avenue; Pack and Troop 248, which meet at the Westlake Property Owners clubhouse; and Pack 241, at the Westlake school. If plans materialize for the formation of new units, as outlined by the steering committee group, the number of boys in the scouting program in Daly City will be more than doubled. Those in charge of the planning include: George H. Paldi, 60 Forest Grove drive; Robert E. Hunter, 437 Santa Barbara avenue; U. R. Kendree, 501 South Mayfair; Alfred O. Beloz, 126 Fairlawn avenue; John L. Dewey, 51 Fairmont drive; and district representatives Ernest McCasoy and Maurice Powers, of San Francisco.

On Monday of next week, the Lake Merced district committee will meet under the chairmanship of Dr. F. Grant Marsh, at which time Daly City representatives will report on progress being made. The meeting will be held in the Faculty Dining Room at City College, starting at 6:15 p.m. Other Daly City residents who are expected to attend Monday's meeting include: Albert M. Rosenberg, activities committee chairman; Fred N. Kruse, finance committee chairman; Joseph Baird, Blaine Glendinning, Schuyler Burns, Milton O. Craig, V. Richard Boyle, and Martin A. Pahlka. Each of these latter group are representatives for the sponsoring institutions which provide one or two of the existing packs and troops in Daly City. Other scouts are also welcome to attend the Monday evening dinner, providing they call Powers at the Boy Scout office, GARfield 1-5792, and make a reservation for the meal.

Triple Christening Sunday: Reception At Local Clubhouse

A triple christening, followed by a reception at 15 at the Westlake clubhouse, will take place Sunday afternoon at the Church of the Immaculate in San Francisco.

To be christened, with Father Finfinis officiating, are: Christopher Peter Pavlos, 1 son of Mr. and Mrs. Peter Pavlos, 172 Windsor drive; Vicki Pappas, two months, daughter of Mr. and Mrs. George Pappas, 1586 33rd avenue, San Francisco; and Teddy Rutzkis, daughter of Mr. and Mrs. Nick Rutzkis of Winston Manor.

Pavlos will act as Godfather for the Rutzkis child. A son of a Psougrakis and Grace Lendaris will be Godmothers for the Pappas child, while Mr. and Mrs. Nick Pognis, 9 Lakewood drive, will be Godparents for the Pavlos infant.

A buffet supper will be held at the clubhouse reception.

Psychologist Gives Report On Aussies

"Australian Sojourn," the first hand report of psychologist Dr. Daniel L. Adler on cultural patterns, family life, adolescence and social tensions in "The Land Down Under," will be offered tomorrow (Thursday) at 8 p.m. in the Science building, Room 101, San Francisco State college.

During the year 1950-51, Dr. Adler, associate professor of psychology at San Francisco State, served on the staff of the University of Melbourne, Australia, as senior lecturer in psychology, director of courses in child psychology and adolescence, and on the staff of the social tensions project of UNESCO.

General admission to the program is 50 cents, 25 cents for students.

The report is offered by the Scholarship Events Series.

Sisterhood Second Card Party Slated For December 16

The Westlake Temple Sisterhood will hold its second card party on December 16, at the Westlake Clubhouse, 95 So. Mayfair drive.

Tickets for this affair will be available soon through members of Sisterhood, and the price will be \$1 per person. "Be sure to obtain your tickets as soon as possible and bring all your friends for a very enjoyable evening of fun and refreshments," the dance committee said. Proceeds from this affair will go towards the Sunday school.

The group has also started a gift shop, headed by Mrs. Jeanette Hodes, assisted by a group of ladies, who will be on hand every Sunday morning during Sunday school session with a display of every kind of gift item imaginable. "Be sure you make a special trip to Sunday school between now and Chanukah, and see the special holiday items for children and adults, all very reasonably priced," the Sisterhood said. Further information about the gift shop may be obtained by calling Mrs. Hodes, DE 3-2316.

WESTLAKE CUBS MEMBERSHIP IS INCREASED BY 18

Culminating a rapid membership increase since September, Westlake Cub Scout Pack 248 recently initiated 18 new members into their midst, giving the Pack a total of 50 Cub Scouts.

New members initiated in ceremonies at the Daly City community center, were: Den 1—Arthur Engel, Jimmy Fotonek; Bob and Chuck Murray; Marshall Numan, Richard Swanson; Barry Wilson; Den 2—George Ellis, Mike Galvin, Johnny Johnson and Ricky Spector; Den 3—Ray Ciardella, Jack Larson and Bill Vince; Den 4—Bill Graf, Russ Kraus and Bill Robinson; Den 6—Carmine Ippolito.

Following the initiatory rites boys joined in a "sports night" with boxing, tumbling and relay races features.

At the last Pack meeting skits were presented by the various Dens.

Den 5, under direction of Betty Carpenter, Den mother, presented recitations of Thanksgiving poems. Margie Carroll, Den 4 mother, had her charges presenting a modern Thanksgiving dinner with the family giving their reasons for being thankful. Den 3, under Kay Green's supervision, and Den 6, under Gladys Asaro, presented a number, "Doing the Hokey Pokey."

Joan Colangelo of Den 2 presented her Cub in a poetic enactment of the Turkey's viewpoint of the festive day.

Marge Wilson's Den 1 sang "Thanksgiving Day," with a background scene they had painted in their den.

The Cubs are currently selling cookies to finance their activities for the coming year.

This month a large Christmas party is planned, with Den-made tree ornaments and gifts to be presented to the parents.

Olympia Students Name 22 Room Representatives

Individual classes at Olympia school have announced the selection of 22 room representatives for the student council.

They are: Cheryl Thompson, Gregory Douglas, Willes Wolfe, Stephen Douglas, Janet Landier, Charles Edelman, Joelle Kimbrell, Jeffrey Queros, Dana Borelli, Michael Spiegelman, Diane Bradnor, Kenneth Torre, Mary Ann Brakelb, Kenneth Lehre, Lorna Negus, Rupert Wall, Carla Fortney, Carl Sikora, Susan Waldron, Joe Wine, Barbara Howser and Steven Bosshard.

Kenneth Lehre, assisted by Miss Brakelb, and Stephen-Bosshard, assisted by Miss Howser, are the a.m. and p.m. chairmen, respectively, who were elected by the student council.

Red and gold were the school colors selected by the council for the new building.

Discussion was held recently on selection of a title for the school paper and "Olympia Record" was the name decided on.

A "Holiday Edition" of the paper will be published and edited by the Olympia student body.

Jeff High Employees Greet New Member

At their Tuesday meeting, Jefferson Union High School Employees association welcomed Mrs. Edna Van Vliet into the group.

The association now has a total of 30 members.

During the meeting a gift was presented to Floyd Michaels, who welcomed a son, Daniel, into the family recently.

Final plans were mapped for the dinner-dance to be held Saturday night at a peninsula restaurant.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Here we are again with another week's news for you. It has been quite a week of happy surprises for many of the folks so let's get on with the news.

Last week brought a surprise dinner to the RAY ORBANUSES of Westlake. The event was held in the home of the RAY ORBANUSES JR. of Abbott street and was in honor of the 35th wedding anniversary of the senior Orbanuses. The dinner was attended by members of the immediate family plus seven grandchildren. Mr. Orbanus is the kindly man who has the new X-Ray Lab. in Daly City. Congratulations are extended to them from all the folks.

The Abbott street folks are losing one of their friendliest families. MR. and MRS. JACK CAMBRIDGE are in the process of moving to their new home in Rollingwood and should be all settled by the time this is read. The girls of the FRIENDLY NEIGHBORS Club got together and entertained MRS. CAMBRIDGE at a dinner held at the Paris Restaurant in San Francisco. During the evening which was enjoyed by all, she was presented with a gift by the club. She intends to keep in touch with all her friends so she won't be lost to them completely.

How much of a coincidence can things be? First thing in the morning I get a call telling me that BOBBY CRAIG, one of the performers in the Aquacade, had been playing football that morning and had broken his toe. His main concern was whether he could be in the Aquacade or not. At last reports he can. Then last night who comes to my door but my paper boy and he, CHARLES BROBECK, also broke his toe the same day in the same way at almost the same time. Maybe it's a good thing that the season is just about over.

Any of the friends and neighbors who like to send get well cards—here is your chance to bring a smile to one of the folks. MR. DAVID McCOY of Nimitz drive has been ill for a long time and would appreciate hearing from you.

This is our neighbor. Recently in a column in a morning paper there was an article stating that there was a Santa Claus need for the old folks party at the Laguna Honda Home this year. Seems they have a Santa Claus union and there was some mix-up of some kind and there was no Santa for them. One of your neighbors and mine, MR. SANFORD VICKERS, read the article and promptly got in touch with them to offer his services for the occasion. He was sorry to hear that he was just a little late as someone else had read the article before him and beat him to the punch.

There always seems to come a time in one's life when a BABY SITTER is of the utmost importance. This happened to some of the folks just recently and guess what? MR. JAMES WALL of Abbott street who has no children of his own but nevertheless seems to know just how to get along with the young fry, offered his services. Now it seems that he can have the job anytime he wants it. He really has a good time while doing a favor for someone else.

The happiest of surprises came to some of the folks on Thanksgiving Day. MR. and MRS. H. MARKGRAF were having as guests for the day MR. and MRS. SYL CRUZ SR. and the ladies were saying how nice it would be if Mrs. Cruz's son, A 2/c SYL CRUZ JR., could be there when the doorbell rings and in he walks. He and his buddy, A 2/c HENRY MARKOWITZ, of Biggs Air Force Base had gotten the time off to spend with the folks. That really made the day complete for them as well as their other guests—MR. and MRS. KELSEY BOWEN and family, PAUL CRUZ, Syl's brother and his friend, EDDIE. Syl has now returned to the Air Base and hopes to be home again for Christmas. We hope so too, Syl.

The ladies on Abbott street are really working right now. They have set December 22nd as the day of the Children's party for all the youngsters who live on the block. MRS. ELEANOR DOYLE who is in charge of this affair assures me that it is really more fun than work and she expects not only 45 youngsters but mothers too. There will be a Santa Claus and gifts for the small fry and coffee and cake for the mothers. Wonder if anyone will need any aspirin?

Servicemen

Home after four years spent in the U. S. Navy just in time for turkey was former Seaman RICHARD EAGAN of Los Olivos avenue. Dick has been places and seen things but nothing looked quite so good to him as his own family on that occasion. Welcome home, DICK.

Another of the fellows to receive that long awaited piece of paper which returns him to civilian life arrived home last week. CPL. "BUMPSIE" BRANDT of the U. S. Marines is back with all his friends again after three years service with Uncle Sam. Met him up the hill and he is still the same "Bumpsie" with the same nice smile for all of us. Glad to see you home, Bill.

A discharge and then a job. That is what former CPL. ROY HYNESMAN of the U. S. Marines now has. BABE, as he is known, arrived last week too and promptly got a job and is most happy to be home with family and friends again.

The Marine Corps will be rather lost without the third member of the trio who all enlisted together as CPL. AL FLYNN also is home with his discharge. He, like Bumpsie, is going to return to school. According to them, "they never had it so good and they are going back to the books for sure." Good luck, Al.

News of another of the fellows whom I have known for more years than I can count. DON HENRY MORGAN of the U. S. Navy was heard from last week. He is at the present time aboard the U. S. Epping Forest and can be reached by writing to him at this address. Don Morgan—U.S.S. Epping Forest—L.S.D. 4—c/o Fleet Post Office. Here is another address for your Xmas cards, folks.

Another young man will be home soon if he isn't already here. PVT. JACK OROVITZ of the U.S. Army will soon be ringing the doorbell of his home on Moltke street and the best news he will have for his family is that he is home to stay. He, too, has his discharge, and congratulations are extended him on his service from all the folks.

Just another word, folks—DON'T FORGET YOUR CARDS AND LETTERS. They really are the most important thing the boys can get at Xmas time. They all look forward to mail call more than they do to chow call. From what I hear they will take a chance on missing the chow but the mail, never. If there is no letter the day is ruined for them.

News and Views
Do you like to read? Are there any of the folks who read braille in our town that have books they would like to share? A very nice lady who lives on East Cavour, MRS. CHARLES MIHOVICH, spends much of her leisure time in this way. If you have or know of someone who has won't you please get in touch with me and I'll give you her address.

Folks in the Winchester street area were glad to see their friend and neighbor, MRS. DAN CIO-LINO, last week. She is now home from the hospital after being hurt last Oct. It will be a long slow process before she gets completely well so here again is your chance to spread a little cheer.

Just heard of another of the boys whose name has been in the servicemen's column before. This time will be the last as CPL. ALBERT D'ISEP of the U. S. Army has completed his service and has left Fort Lawton, Wash., where he served in an Anti-Aircraft Battalion. He should be home by the time this is read and a hearty welcome will be waiting for him from family and friends.

Our town is full of places to go this week. The JEFF III AQUACADE will be Thurs., Fri. and Sat., Dec. 2nd, 3rd and 4th. On Sunday, Dec. 5th, there will be the Bazaar sponsored by the MOTHERS' CLUB of O.L.P.H. School. No reason to get bored or wonder

DC MARINER SCOUTS ENJOY EXCURSION

Mariner Scouts from Daly City were recent guests of Mr. and Mrs. Philip Smith of Berkeley, who took the girls and their leaders on a Bay Cruise. The Mariners boarded the beautiful twin cabin cruiser, "Alphi" at 11:00 o'clock at the Berkeley Yacht Harbor. They cruised toward Treasure Island, under the Bay Bridge and over to the Oakland Harbor where they docked for lunch at Jack London Square. Several Scouts had an opportunity to take the helm and gain experience in navigation.

Sunday, twelve girls from Mariner Ship No. 4 practiced boating on Lake Merced. This will fulfill one of the requirements for their Midshipmate rating. On December first, the Mariners are participating in the Christmas Parade on Mission street as one of the marching units.

Markovich Again Heads St. Vincent Charity Fund Drive

Peter Markovich, local insurance agent, has accepted the chairmanship of the fifth annual Christmas charity fund drive of the St. Vincent de Paul society which is now underway in this community.

Markovich has served in this capacity every year since 1950. "This is a project that is nearest to my heart," Markovich said, "and I feel certain that the citizens of Daly City will welcome the opportunity to bring the warmth of love and a measure of happiness to the little ones, the lonely aged, the forgotten at Christmas."

Markovich pointed out that the St. Vincent society is the only group in Daly City devoting all of its resources to caring for the needy regardless of race, color or creed.

Donations may be mailed or brought to Markovich at 6454 Mission street.

News From The Crocker School

By Kathleen Jacoby
Miss Lynn Connolly - 6th Grade

On Wednesday, October 20, our class held an election of officers and monitors. The results of the election were as follows: Barbara Cohn, President; Buddy Pereira, Vice President; Rosalee Lujan, Secretary. We think we have made wise selections in the choice of monitors.

Our class meetings are held every Friday from 11:40 to 12:00 noon. At the first meeting on the following Friday it was decided that we would accept an invita-

tion to visit the Daly City Fire Department. We have planned to go on November 23. Captain Hanson will be our guide. A report on our trip will be made in December.

We are now studying the countries of Central America; their industries and agriculture, home life, topography, etc. For reading, we have some very exciting new readers. There are stories of foreign lands, nature stories, adventure stories and a section on fairy tales such as "The Story of Dr. Doolittle" and "Ben and Me." In language, we are studying the parts of speech.

We think the ball point pens supplied by the school district are very nice and will help in our writing.

Since we plan a trip to the Planetarium in Golden Gate Park later in the year, we are studying the solar system so we will understand the lecture and demonstration.

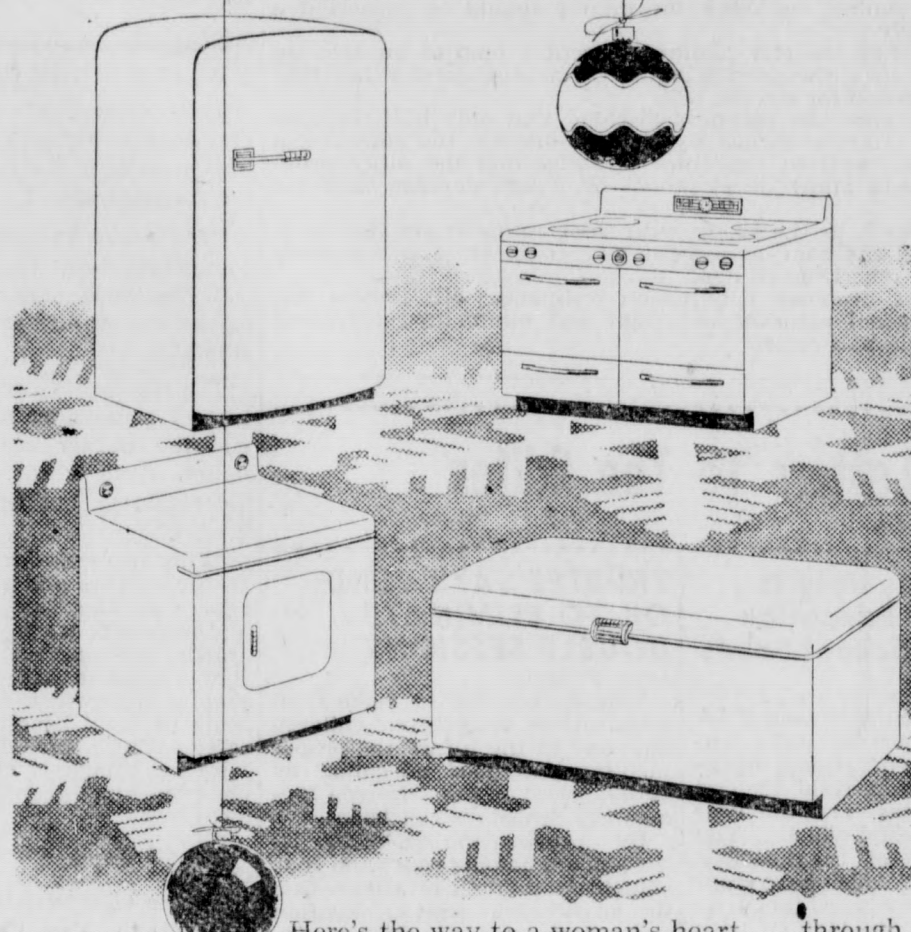

J. Laury - 6th Grade
We had class elections. We elected: Pat Conley, President; Charles Quanz, Vice President; Sandra Freire, Secretary; Judy Lee, Treasurer.

We are studying about weather. Arthur De Vault brought some weather maps. He got them at the Weather Bureau.

We are studying about Central America too. We divided the class into groups. Each group has a country in Central America to study about.

CALLING ALL COOKS!

OLPH MOTHERS make final preparations for candy booth, a feature of the annual Christmas bazaar to be held Sunday at the church, 60 Wellington avenue. Shown in photo (left to right) are: Pat Mondloch, chairman; Jeanne Haney, co-chairman; Evelyn Mosman and Claire Leindecker.

Final Preparations Set For OLPH Bazaar

The hammering, whacking and banging sounds coming from the auditorium of Our Lady of Perpetual Help school these days are just the last minute preparations for the Mothers' Club annual Christmas bazaar which will take place this Sunday.

The members of the Men's club of the parish are lending a hand in the erection of booths and other necessary carpentering and many lighting and decorating.

George Cateagari has volunteered his services and will decorate the hall and stage for this affair. Cateagari is well known in this area for his spectacular decorating in past parish carnivals. The booths will be decorated by the individual chairmen.

The bazaar will open immediately after the 8 a.m. Mass on Sunday and the kitchen crew will have "coffee and" available for those who wish to make a day of it. During the day hot dogs will be offered by Mrs. Ann Drury and Mrs. Mary Casebolt.

Mothers' Day Off
"Bazaar day will also be mother's day off from her usual cooking duties as a delicious turkey dinner with all the trimmings will be served from 1 o'clock on at the nominal price of \$1 for adults and 50c for children," the chairman said. An enchilada dinner will be served as an alternate at the same prices. Mrs. Betty Trayner, chief chef, is being assisted by the following ladies:

Mrs. Fan Ellis, Mrs. Pansy

Tarango, Mrs. Elena Biagini, Mrs. Eleanor Vinal, Mrs. Anna Sutter, Mrs. Alice Chelone, Mrs. Betty Machinot, Mrs. Dorothy Stewart, Mrs. Josephine Scortino, Mrs. A. Weedon, Mrs. Rose Mills, Miss Leslie Linhares, Mrs. Jack Jaymot, Mrs. Ann Pennington, Miss Murray, Mrs. Dorothy Smyser, Mrs. Bessie Peake.

One of the largest booths and also one of the big attractions of the bazaar will be the sewing booth, offering all varieties of useful and decorative articles suitable for Christmas gifts. This booth will be directed by Mrs. Esther Nolan and Mrs. Dorthea Brush.

Mrs. Virginia Stanley is in charge of a gift and novelty booth which features dolls, toys and many other items for children. Mrs. Janet Fellman will staff the surprise package booth.

Mrs. Barbara Pleyer and Mrs. Dorothy Peterson are in charge of the always popular cake booth, the chairman added.

Mrs. Diva Angelot and Mrs. Carmen Reyes will have on display many beautiful plants and flowers in the plant booth.

Home Made Candy
The candy booth will feature many varieties of home made confections. There will also be a grab box for the youngsters, plus candies, apples and candy floss. Mrs. Jeanne Heaney and Mrs. Evelyn Mossman are chairmen of this booth.

According to the chairman, one of the noisiest and certainly the most crowded spot will be the "kiddie corner" where Mrs. Rose Fair and Mrs. Marie Krystofiak and their crew of industrious members will entertain the small fry.

Grocery Booth
"The grocery booth should prove most appealing and Mrs. Edna Cubic and her co-chairman, Mrs. Helen Crystal, will do their best to see that you 'bring home the bacon,'" the chairman said.

Overseeing this whole enterprise is Mrs. Catherine Ricci, president of the Mothers' club who is general chairman for this bazaar.

Mrs. Dorothy Carrington, Mrs. Dolly Lewkowicz and Mrs. Mary

Bayshore PTA Mail Indicates Activity

Bayshore PTA may not be one of the largest units in the district, but it can be classed as one of the busiest if mail received is any indication.

Letters of thanks were read by Mrs. Frank Barbara, secretary, from Brownie Troops 44 and 209, thanking the unit for monies given to them by Bayshore PTA to carry on their projects.

Bayshore and Midway Village school children sent thanks for prize money awarded them for their assistance in the successful membership drive. Most amusing was the card drawn by the first grade pupils of Mrs. Ruth Reeves, who had used their prize money to purchase a parakeet, and had named him Peeta in honor of the Bayshore PTA.

Mrs. Wayne Liebert, president, asks that all members attend the "Water Circus" at Jefferson High school on December 6 at 8 p.m. to greet former pupils of Bayshore school who attend Jefferson High upon graduating from this area.

Reverend Lloyd Strehl, of St. James church, will give an address on "Religion In The Home" at the next regular monthly meeting December 8 at 2 p.m. in the school auditorium. Bayshore PTA will serve refreshments. Also featured in this meeting will be the membership chairman, Mrs. F. A. Regan, who can feel justly proud of her efforts to make this unit meet the goal set for it.

Free movies begin at 2:30 in the school auditorium for the pupils of Bayshore and Midway Village, in appreciation of their splendid cooperation in the membership drive.

According to Mrs. E. M. Hanschman, movie chairman, this will be on the subject of safety in the home, and all are invited to attend.

Mrs. Earl Robertson, custodian, has been appointed chairman of the Well-Baby conference, replacing Mrs. Thomas McNamara whose term expired. Midway Village Navy wives agreed to assist at the second well-baby conference of the month, with Mrs. Raymond Kester in charge.

Eagles Auxiliary Initiate Member

The Officers of the Daly City Eagles Auxiliary initiated Mrs. Frances Pricolo into the Auxiliary at the last meeting. Mrs. Pricolo was sponsored by Mrs. Midge Fehl, membership chairman. Mrs. Fehl announced to the members that tentative plans are in the making for a drive to secure more new members. Mrs. Fehl stated any woman over 18 years of age are eligible to join and if interested contact any Auxiliary member.

Thiebaut will handle the investment committee and Mrs. Isabelle Liberti is in charge of publicity. The public is extended a cordial welcome. Admission is free.

NAME NEW DIRECTORS MONDAY

Seven Candidates For Improvement Group

Five directors for the Westlake Improvement association will be named Monday night at the annual meeting to be held at the Jefferson Union High school auditorium.

Two of the incumbents, Starr Dunham, president, and Cass Norton, have announced they will be candidates for re-election, while the remaining board members, Joseph Toboni, Arch Lumardi and Ed Molkenbuhr, have indicated they will not run.

Rounding out the list of candidates for the five posts to date are Charles Santuccio, Richard Stark, John F. Murphy, William Diaz and Hartley Appleton.

Nominations for other candidates may be made from the floor. Notices of the election were mailed out Monday to paid up improvement association members. An estimated 1000 residents will be eligible to cast their ballots.

Those who do not plan on attending the meeting have been advised to mail in their proxy ballots. Only proxy votes and votes made on the floor will be valid.

Mailed-in ballots will not be honored, according to a recent decision made by the board. Earlier the board had revised the voting laws to state that mailed-in ballots would be accepted. Later, after legal advice, they learned that such a method was contrary to the by-laws.

Board members elected Monday will serve for one-year terms. The high school, site of the meeting, is located at 6996 Mission street, Daly City.

LUTHERAN SAVIOR CHURCH ADDS NEW EDUCATIONAL UNIT

Under the slogan "A Friendly Church, A Growing Church," the Lutheran Church of Our Savior, Junipero Serra & Garfield, San Francisco, some time ago added an educational unit to the mother church.

Now concrete sidewalks have been provided to make access easier to the Sunday school classes, which comprise people of all ages. They convene every Sunday at 9:30 a.m. The regular Sunday morning service takes place at 10:45 a.m., with the Rev. Luther M. Schlessler, pastor of the church, officiating.

WOODROW PTA HONORS DADS AT LAST MEET

Woodrow Wilson fathers were honored at the last regular PTA meeting. A highly entertaining and educational aviation film was shown. Miss Plummer, Daly City librarian, spoke on the wealth of books offered to our young people today. She brought with her a table display of some of the more popular books.

Peter Markovich talked on the coming school bond election and the importance of every voting.

Following the meeting pie and coffee were served.

The next meeting will be on December 18 in room 10 at 1:15 p.m. Dental health will be featured.

Mrs. F. Watts, bazaar chairman, and her committee have been working steadily on today's bazaar. Featured tables will be: Home-baked goods, sewing and plants and ceramics. Hot dogs will be sold all day. Dinner will be served from 5 to 7 p.m. The menu includes mock ravioli, salmon casserole, tossed salad to be sold at 5 cents per scoop, rolls, coffee and cake. There will be soda and milk for the children.

For the children's entertainment there will be the very popular fun room open from 5 to 7 p.m., movies and surprise packages.

YULETIDE PARTY FOR LADY EAGLES

The madam president of the Daly City Eagles Auxiliary, Mrs. Mildred Dunn, announced there will be a Christmas party for the Auxiliary members at the next regular meeting which will be held on Dec. 14 at Eagles Hall.

Decorations will be made by Mrs. Edie Summers, decorating chairman, and refreshments will be served by Mrs. Frances Nestel and committee.

SCOUT PACK 243 HOLD ADVANCEMENT RITES: DEN 2 WINS

Cub Scout Pack 243 held their advancement ceremonies last Monday night at their monthly pack meeting. Den 2 won the trophy for uniform inspection. After the meeting, the mothers of the boys in Den 1 provided refreshments for the boys and their parents.

The boys are now working on a newspaper drive to be held on December 12. Those people wishing to dispose of papers, who live east of Junipero Serra boulevard, can get in touch with Mr. White, P.L. 5-0216, and they will be picked up. The money derived from this drive will be used to further the Pack's activities.

Total Of 11,000 Homes Told Of School Bond Need

By the Citizens' Committee

Eleven thousand homes this week will receive printed information about the Jefferson Elementary School District \$1,486,000 school bond election to be held Tuesday.

A group of interested patrons of the schools donated their time and money to provide the information that will enable every voter to learn about the issues of the election.

A two-thirds favorable vote is needed to provide funds for much needed classrooms in the local grade school. Unless the voters approve the issue hundreds of children will have to be kept on half-day sessions and each year the crowded conditions will become worse.

SPOT PHOTO taken at Southgate near Maddux drive in Westlake shows dangerous "hump" where Ocean Shore Railway easement crosses. Church and

civic groups have long urged removal of the hump because of its hazard to motorists and pedestrians alike. Recent negotiations between the railway and

property owners in the adjacent area indicate that the 15-foot hump will be removed in the near future. The Southgate "hump" is one of the many legal "bones

of contention" that have been battled in court continuously during the past four years.

COURT REVERSALS SHAKE RAILWAY'S RIGHT OF WAY CLAIM

Ocean Shore Railway's claim to a 60 foot right of way running through Daly City, a portion of which includes the notorious Southgate "hump" near Maddux drive in Westlake, appeared shaken this week with the result of two recent court decisions.

On November 1 the district court of appeals denied the OSRR attorney's request for re-hearing on that court's decision which declared the railway did not have absolute ownership of the narrow

sumner and reversing an earlier decree by Judge Murray Draper, said the railway's claim to the land consisted only of a right of way or railroad purposes.

Since the line that once hauled freight from Half Moon Bay to San Francisco has not been in operation for more than 35 years, the right of way contention of the railroad has been taken "with a grain of salt" by jurisprudence.

Most Recent Blow
Most recent blow to the railroad's legal claim to the property came November 11 when the state supreme court rejected their petition for a re-hearing. Only other recourse for the OSRR now is to appeal to the lower courts again in the hope for a verdict that, in fact, they have not abandoned their right of way.

However the upper courts have already given evidence that the right of way is abandoned in fact. The district court of appeals contention last summer in reversing Draper's earlier decision that said the railway had not abandoned ownership, was, "The court in the Draper decree, in addition to finding that by the Buck decree (favorable to the OSRR, 1930) the plaintiff owned fee title to the 60 foot strip, found that the decree determined as a question of fact that there had been no abandonment of the use of the right of way railroad purposes at that time. But this determination of the trial court was erroneous."

No Bearing
Concensus of the district court of appeals opinion was that because the rights of way were not considered abandoned in 1930 had no bearing on whether or not they were now abandoned.
If the reversal of the Draper decision is binding, which it appears to be after being upheld in two higher courts, Henry Doelger Builder, Inc., and the Roman Catholic church will assume clear title to the strip running through Southgate.

Meanwhile, the OSRR has agreed to allow the dangerous 15 foot high hump on Southgate avenue to be levelled, it was learned this week.

City Not Liable
An agreement has been drawn up stating that the city of Daly City will not be liable for any damages by allowing the blind street to be levelled. C. A. Norris and A. P. Seybolt, president and secretary, respectively, of the railway, have signed the agreement as has the Westlake Community Baptist church and the city, and it awaits only the signature of the Roman Catholic church.

Question of whether Doelger, the Catholic church or the OSRR owns the strip on Southgate to be levelled is still enmeshed in the pending judicial decision. However, the city of Daly City has already put aside \$1500 with the court, which will go the party declared owner of the land.

According to Daly City attorney Frank Blum, even if Doelger and the Catholic church are declared owners in fee simple title, the railway may receive some compensation for their easement for right of way purposes over the land.

Church To Level
With signing of the agreement of all parties concerned merely a formality now, the Westlake Baptist church is expected to proceed in the near future with the lowering of the hump near Maddux drive.

Litigation involving the Ocean Shore and Henry Doelger, Builder, Inc., has been in continuous progress since July, 1950. Attorney John Healy represents the builder. First decree in favor of the OSRR came in 1930, with Lake Merced Golf and Country club and

Jeff Varsity Hoopsters Open Today vs Galileo

For the first time in three years, Coach Mike Orlich's Jefferson basketball varsity enters upon a season as an underdog in the Peninsula Athletic league.

In 1953 and 1954 sportswriters picked Jefferson to cop the crown in pre-season selections. They weren't far from wrong as the Indian eagles are now protecting a two-year record of 23 wins, one loss.

A total of 40 prospective players turned out Monday as Orlich opened workouts and the reason his club is being pegged for a lowly spot in the final standings was obvious.

Nary a single member of the 1954 team that tied for the championship was on hand.

Two Lettermen

In fact, Orlich was greeted by only two returning lettermen, Center Wesley Yates and Guard Jim Honeywell, both of whom saw only occasional action last year.

But the picture isn't as gloom as it might seem, since every one of the 40 athletes reporting Monday have played basketball in league competition, either on the 10s, 20s or 30s.

Orlich's courtmen open a nine-game practice sked here today (Friday) at 3:15 p.m. when they face Galileo. On Monday they take Mission at 3:15 p.m., also on the home court.

Starting Team?

Orlich was hard put to name a starting line-up since he hasn't had time to find where the talent lies. He said Yates would probably open at center, while Bill Storch, Darrell Hutchinson, Ken Duncan, Al Knier and Rich Watso were candidates for the starting forward posts. Vieing for guard positions will be Al Lagomarsino, Ray Schultz, Honeywell, Al Figone and Babe Anguillo.

Following nine practice games, the Jeffs open their league sked January 7 in a home game against Half Moon Bay.

Next Friday the Indians journey across the bay to compete in the Hayward Invitational tournament.

Jaysees Announce Two New Committees

Two committees were set up by the Junior Chamber of Commerce at their regular meeting held Tuesday night at the Westlake Lounge clubroom.

Louis Aguilera will head the youth project committee, devoted to developing activities for young people, while James Vicknair is chairman of the civic committee, which will work for community betterment.

Commencing December 14, the Jaysee's new meeting place will be the Daly City community center. Sessions start at 8 p.m.

MOSSI TREATS FANS TO FOUR INNING STINT

Hands Sarto A.C. Win With 3-Run Swat

Don Mossi, Cleveland Indians ace relief pitcher, treated 100 local fans to an exhibition Sunday at Marchbanks and handed his Sarto A.C. club a 3-2 win over Don Gilmore.

Mossi only pitched four innings, giving up four singles, one walk and registering four strikeouts, but he was equally impressive at the plate as he scored all of his team's runs in the sixth inning with a three-run homer.

Mossi also got a single to give him a .1000 average in his two trips to bat.

Ironically, the first ball pitched by Mossi was tapped out for a single. Although it was obvious he was not bearing down in his four-inning stint, he managed to keep the opposition batsmen under control.

After working on the mound, Mossi played right field for two innings.

Don Coburn relieved Mossi, giving up four hits, two runs, three walks and striking out four.

Coburn, himself, contributed to the win with his stick efforts, lacing a single in the sixth, followed by Bob Castro's single.

With two strikes on him, Mossi knocked one out of the park to clean the bags.

Mossi will appear again this Sunday when Sarto A.C. meets Pomona Tile at Marchbanks park, beginning at 2 p.m.

JEFF GRIDDERS END SEASON ON SOUR NOTE AT SSF

The 1954 football season ended on a dismal note Thanksgiving day for the Jefferson varsity as traditional rivals South San Francisco liquidated any hopes of raising the win "string" to two by edging the local club, 19-14.

The Warriors took a 7-0 first quarter lead and the Jeffs came back in the second canto to tie the contest when Honeywell broke over for the score.

South City struck quickly for 12 points in the third quarter with Halfback Al Von Steeg running strong for both TDs.

The Indians got on the scoreboard again late in the fourth quarter when Bob Grubb hit paydirt.

The loss gave Jefferson a final league mark of seven losses, one win and landed them one notch away from the Peninsula Athletic league cellar ahead of Carlmont.

Westlake Homes Down Leslie Salt; Notch Third Place

Handicuffing opposition batters to a half-dozen hits, Bob Schaffer chucked the Westlake Homes nine to a 9-5 victory over Leslie Salt Sunday in their final game in the first half of the Seals Stadium league.

The win notched a final standing of third place for the Westlake club, coached by Jack Ingall, Ed Candler and Art Von Wron-

Results of the yo-yo contest at Edgewood playground were announced this week.

Roger Stahl, 100, Frank Burger, 95, and Michael Crystal, 93, will compete with the first three winners in other Daly City parks in the near future.

Stahl was awarded a cheerios sweater, cap and badge for annexing first. Second and third place winners received cheerios caps and badges.

Eight "nine trick" badges were given to the next eight winners.

Crystal and Marty Cosgrove wound up in a 93-point deadlock for third so the loop-the-loop event was held to settle the tie, with Crystal winning.

Other scores, in order, were: Gene Lalar, 89; Jerry Morgan, 86; Richard Montoya, 86; Richard Moran, 81; James Hollman, 80; Stanley Kilde, 72; Bill Lake, 66; Freddie Brooks, 64; Donny Bridges, 56; Andrew Crystal, 40; Sharon Grienlin, 38; Bob Brooks, 22; and Frankie Sears, 20.

REC CAGE TO OPEN ON DEC. 11

Next Wednesday is the deadline for entry in the Daly City Recreation Basketball league for seventh and eighth graders.

The league will open Saturday, Dec. 11, at 10 a.m. on the Daly City community center pavilion.

Class A division, for eighth graders, already has reported four entries, two from Colma and one each from Broadmoor and OLPH church.

In the Class B circuit, seventh graders, there are a total of six clubs, three from Colma, two from Broadmoor and one from OLPH.

All contests will be played at the community center and participants are required to wear tennis shoes.

When entries are made the entire team names and rosters must be submitted.

At close of the season awards will be presented to champions of each division, following an elimination playoff to decide the final championship berths.

All teams entering without a coach will be taken over by a director from the recreation department.

Further information may be obtained by contacting Ed Mosconi or John Belfort at the community center, PL 5-0850.

ADULT CAGE LEAGUE PLAY OPENS TUESDAY

Daly City adult basketball play gets underway Tuesday night at the Daly City Community center, beginning at 7:30 p.m., with two games on tap.

Making up the eight-team circuit are Alta Roofing, Gigh Plumbing, Sarto A.C., The Huddle, Ralph's Cleaners, SF Fire Department, Native Sons and Richard's Men's Store.

Some of the returning players who were outstanding in last year's play are Cappy Lavin, Mike O'Neill, Tom Costello, Joe Dillon, John Flaherty and Jimmy Wong.

Games will be held Tuesdays and Thursdays of each week, with each team playing seven contests.

Mateo Cagers In First Road Game Friday At Hartnell

This Friday evening College of San Mateo basketball players will trek to Hartnell college in Salinas for the first game away from home. On Tuesday the Mateos will play Concordia college in the San Mateo gym on the Baldwin campus. Game time is 8 o'clock.

Coach Ray Balsley now has 15 men on his squad as two football players joined the group as soon as the grid sport ended. They are Dale Jones, a 6-2 guard from Burlingame, and veteran Buck Shore, a 6-4 center.

San Mateo now has five veterans on its squad. Ten of the players range from six feet to six-eight, two are 5-11, two 5-9, and one 5-8.

JEFFERSON HIGH SCHOOL-RED CROSS COMBINE EFFORTS TO PRESENT GALA "WATER CIRCUS" AT LOCAL POOL MON.

Fun for the whole family will be the order of the day on Monday when a "Water Circus" will be presented by the San Mateo county chapter of the Red Cross in cooperation with the physical education department of Jefferson High school, under the direction of Mike Orlich. The hour-long show will be given between 8 and 6 o'clock in the evening at Jefferson indoor pool in Daly City. Admission is free and the public is invited to the gala event.

By courtesy of the high school, circus decorations from a previous event will be used and several of the school's precision swim acts will be featured in the Red Cross program. Also in the cast are eight members of Girl Scout Troop 98 of San Mateo directed by their leader Mrs. Jack Dreyfuss.

Interspersed between "Circus" numbers will be demonstrations of techniques used by Red Cross instructors in their Water Safety program. Bob Lightcap, coach at Carlmont high in San Carlos, will show how beginners are taught, with four little San Carlos girls as pupils. Earl Homan, physical education director at South San Francisco high, will illustrate more

advanced techniques with students from that school. Another Red Cross instructor will put on a life saving demonstration showing the use of torpedo buoys, a canoe and various "holds" used in rescue work.

The event was planned by Chester Banachowski, water safety chairman, and his committee, as a climax to this year's record breaking program which had over 15,000 enrolled in swim classes given as a public service by the San Mateo county chapter of the Red Cross districts in the Chapter Cross in cooperation, with high area.

Preceding the show, dinner will be served in the new high school cafeteria by Red Cross Canteen, Mrs. George Kelly of Millbrae, chairman, assisted by members of Horrell school PTA. Attending will be members of the boards of directors of the local Red Cross and all high and elementary schools in the Chapter district, their wives and husbands. They will pay only a nominal sum for dinner because of a gift of a portion of the food by a "friend of Red Cross" offered as a Christmas "thank you" to Chapter volunteers.

Bocci Levies \$100 Fine On Woman For Contempt Count

Merle McDaniel, 32, of San Francisco, drew a \$100 fine from 10 yards out in the initial quarter.

The second tally came in the next quarter as Paul Tapia hit Steve Canty on a pass play that covered 30 yards into the end zone.

White scored again in the fourth quarter on a five-yard burst over the line. Conversion was good on a pass from Tapia to Roy Corner.

The local frosh-soph club finished the season in fifth place.

Judge Thomas L. Bocci Tuesday for contempt of court after she failed to testify to a beating allegedly inflicted on her by her 32-year-old companion, Woodrow Wilson Whittaker, also of San Francisco.

Miss McDaniel was subpoenaed to appear as a witness against Whittaker two weeks ago. Earlier she had signed a complaint stating that Whittaker beat her up severely at a Colma motel on September 4.

Appearing in municipal court November 16, she refused to testify to the assault and battery count and Bocci charged her with contempt.

In addition to the \$100 fine Bocci levied a five-day jail sentence on the woman, which was suspended.

Case against Whittaker has been dismissed.

Dodge flashes ahead in style!

New '55 Dodge Custom Royal V-8 4-door Sedan . . . flair-fashioned!

Presenting the dazzling new '55 DODGE

Flair-Fashioned for the Future

These last few days, crowds of people have come in to get their first look at the flair-fashioned new Dodge for 1955. They examined it and gave their verdict:

Dodge has done it!

Dodge flashes ahead with a car that is taut and eager in every line—lower, wider and far, far longer.

Dodge flashes ahead with the new outlook in car design—a swept-back New Horizon windshield that encircles you in a glass cockpit.

Dodge flashes ahead with clean, flowing lines that capture the flair of the future—from the low and racy hood to the flaring rear deck and twin-jet taillights.

If you have not yet seen what Dodge has done, you are missing the thrill of the year. It is a car of a hundred surprises, inside and out. Come see for yourself.

The Three Bears ride on Family Fares

(to the East and Midwest)

Now the whole family can go along when Papa Bear goes on a trip to the East or Midwest! With Southern Pacific's Family Fares, Mama Bear and all the little bears (or people) can go too, for so little money that it's cheaper than leaving them home.

Incidentally, Father doesn't even have to go. Mama can serve as the head of the household for the purpose of Family Fares.

Family Fares are good in both Chair Cars and Sleeping Cars.

So, next time you're planning a trip to the East or Midwest, plan to take the family with you. Don't be misled by high-flying, extravagant claims, either. Be sure to find out how little it will actually cost for your family to use Southern Pacific's Family Fares. Just ask your nearest S.P. Agent for full details.
